Weight: medium thin Volume: soft to loud Stick Sound: silky Intensity: fairly lively Sustain: long

Bell Character: fairly integrated, smooth

Sound Character:

Full, silky, powerful, deep. Fairly wide range, fairly complex mix. Responsive, soft feel with powerful attributes. Somewhat papery stick sound with a glassy undertone over fairly dark and cloudy wash. Very versatile ride cymbal with good crash-ability for classic rock music applications. Developed in co-operation with the legendary "Van Halen" drummer Alex Van Halen.
