

## Big Ride 24"

SKU:  
CY0001061824

Weight: medium thin  
Volume: soft to loud  
Stick Sound: silky  
Intensity: fairly lively  
Sustain: long  
Bell Character: fairly integrated, smooth

### Sound Character:

Full, silky, powerful, deep. Fairly wide range, fairly complex mix. Responsive, soft feel with powerful attributes. Somewhat papery stick sound with a glassy undertone over fairly dark and cloudy wash. Very versatile ride cymbal with good crash-ability for classic rock music applications. Developed in co-operation with the legendary "Van Halen" drummer Alex Van Halen.
