

Dark Ride 20" 22"

SKU:
CY0005507020, CY0005507022

Weight: medium thin
Volume: low to medium loud
Stick Sound: fairly washy, steady
Intensity: lively
Sustain: medium long
Bell Character: integrated, low pitched

Sound Character:

Dark, warm, smoky, breathy. Fairly wide range, complex mix. Soft feel with a quick response. Very well crashable. Controllable, peppery stick sound over a dark layered oriental, smoky wash. A ride cymbal that can easily be used in a small jazz club setting and flourish in other styles such as blues or country music.
