Sound Character:

Bright, steely, energetic. Fairly narrow range, slightly complex mix. Heavy feel. Glassy, strong ping that's drier, more raw, wooden in the un-lathed zone, and livelier, crisper, richer in the lathed zone. Fairly raw, earthy, complex wash that's very tight and controlled. Loud, piercing bell. Cutting, variable ride cymbal with distinct playing zones for articulate playing in louder settings.

"This is the one. Covers the most demanding players." - Carl Palmer
